

How can a company become a supplier to ESS?

This page serves as an overview of the entry points to ESS, providing guidance on how companies can become suppliers to ESS. Companies interested in ESS business opportunities can register a business profile in the ESS Supplier Portal to enable matching of potential suppliers with ongoing procurements.

What is Enterprise Ireland's purchasing policy?

The aim of Enterprise Ireland's purchasing policy is to: Procure goods and services which best contribute to Enterprise Ireland's performance. Procure those goods and services as efficiently as possible and obtain best value for money without compromising quality and standards. Ensure compliance with public sector and EU guidelines and directives.

Where can I find current business opportunities at ESS?

Current and forthcoming business opportunities at ESS are posted in the Procurement Listings. Completed tenders are published quarterly in the Contract Award Notices. All procurement follows the European Spallation Source ERIC Procurement Rules, which align with the EU treaty principles of transparency, non-discrimination and competition.

How are supplies and services procured?

The procurement of supplies and services across our department and our offices is carried out in a number of different ways depending on the values involved. We purchase goods and services through direct engagement with suppliers or through National Framework Agreements arranged by the Office of Government Procurement (OGP).

How are suppliers selected?

Typically, suppliers are selected from public domain sources (for example, Internet searches). For supplies and services between EUR5,000-EUR24,999 (Ex VAT) we will typically seek not less than five written competitive quotes from suppliers or service providers.

What is the Supplier Portal?
