

Government procurement price of mobile ESS unit in

Which ESS tenders will increase Indian ESS capacity manifold?

The latest ESS tenders issued by Solar Energy Corporation of India (SECI) and NTPC are the first in India to combine standalone ESS with on-demand use. These two standalone ESS tenders, by SECI and NTPC, have a cumulative storage capacity of 1GW/4GWh. Thus, if executed well, these projects will augment Indian ESS capacity manifold.

What is India's ESS capacity compared to GW-scale ESS tenders?

India's current BESS installed capacity (<50MW) is minuscule compared to the current GW-scale standalone ESS tenders. Safe to say, there will be a dearth of suppliers and associated supply chain infrastructure for ESS components at this scale in India.

What is an ESS tender?

Also, more recently, SECI and NTPC came up with standalone ESS tenders of 1,000MWh and 3,000MWh, respectively. These tenders aim to utilise the various applications a utility scale ESS can provide in terms of ancillary services and energy shifting.

What is the minimum capacity of ESS in India?

This, along with the SECI tender, marks one of India's first forays into the large grid-scale standalone ESS. The minimum capacity of a project block at a single interconnection point should be 100MW/600MWh (6-hour solution). Selection of project location is entirely in the developer's scope.

What are ESS tenders & NTPC tenders?

The latest standalone ESS tenders from Solar Energy Corporation of India and NTPC will augment capacity manifold and help develop the local ecosystem. Given that ESS technology is in its infancy in India, the current tenders face several technical, procurement and regulatory challenges.

What is ESS as a service?

ESS-as-a-Service - The standalone tenders from SECI and NTPC treated BESS as a subscription/service. In March 2022, the Ministry of Power finalised the "Guidelines for Procurement and Utilization of Battery Energy Storage Systems as part of Generation, Transmission and Distribution assets, along with Ancillary Services".

CPTU transformed into Bangladesh Public Procurement Authority (BPPA) on 18 September 2023 This is for information of all concerned that the Central Procurement Technical Unit (CPTU) has been transformed ...
