

# Residential ESS tender price in Estonia 2025

What is the outlook for the Estonian housing market in 2023?

The outlook for the Estonian housing market in 2023 remains uncertain, as the wider economy continues to struggle. Estonia's economy contracted by 3% in 2023 from a year earlier, following a 0.5% decline in the prior year, amidst falling private consumption, weak investment, and plummeting exports.

How did Estonia's housing price index perform in Q1 2024?

Table of Contents During the year to Q1 2024, the nationwide dwelling price index rose by 7.81%, following year-on-year increases of 5.74% in Q4 2023, 3.84% in Q3, 4.98% in Q2, and 9.16% in Q1, according to figures released by Statistics Estonia. When adjusted for inflation, prices increased by a more modest 3.41% over the same period.

What are the rental yields for apartments in Estonia?

Gross rental yields for apartments in Estonia are moderate, ranging from 2.78% to 5.36% in Q2 2024, with a nationwide average of 4.51%, according to a recent research conducted by the Global Property Guide. Yields have declined slightly mainly due to the continued rise in house prices in the country in recent years.

What happened to Estonia's house price in 2021?

Estonia's house price rises accelerated further to 20.4% (10.1% inflation-adjusted) in 2021 and 16.9% (-3% inflation-adjusted) in 2022. During 2023, house price growth decelerated to 5.8% (1.4% inflation-adjusted), amidst falling demand and a struggling economy.

What happened to the rental market in Estonia?

The rental market shrank from 12% of households (with 9% privately renting and 3% in social rents) in 2002, to just 4% in 2004. Then came the crash, amidst the 2008 global financial crisis. Estonia's house price falls in 2008 was among the biggest in the world, rivaled only by Latvia.

Are house prices rising in Estonia?

Housing market prices have been continuously rising since, with prices rising by an average of about 8% (6.1% inflation-adjusted) annually from 2011 to 2020. Estonia's house price rises accelerated further to 20.4% (10.1% inflation-adjusted) in 2021 and 16.9% (-3% inflation-adjusted) in 2022.
