

Total investment cost of residential ESS project in Serbia

What is the real estate market like in Serbia?

The Serbian residential market has been active over the past decade, with continued construction activity in Serbia's three largest cities: Belgrade, Nis, and Novi Sad. From around 13,871 dwellings in 2003, housing completions rose by 42.9% to a peak of 19,815 units in 2008.

How much does it cost to rent a house in Serbia?

Novi Sad average prices are at RSD 106,053 (US\$ 1,249) per sq. m., and Kragujevac RSD 110,448 (US\$ 1,301) per sq. m. Serbia's rental market has moderate to high rental yields, according to Global Property Guide Research of March 2013. In contrast to other districts in Belgrade, rental yields in the most expensive district, Savski Venac improved.

Are property prices a problem in Serbia?

Few people in Serbia would put property prices at the top of their list of worries, though house prices were down by 4.1% (-8.1% in real terms) on the year, according to the Statistical Office of the Republic of Serbia. Economic and political issues are much bigger worries in this country, which has still not fully emerged from the bad old days.

How much does it cost to live in Serbia?

Belgrade, Serbia's capital, is not an expensive city, with average new dwelling prices of RSD 166,497 (US\$1,961) per square metre (sq. m.). Novi Sad average prices are at RSD 106,053 (US\$1,249) per sq. m., and Kragujevac RSD 110,448 (US\$1,301) per sq. m.

Why does Serbia have a low inflation rate?

That's because as of May 2014, Serbia's y-o-y inflation rate was 2.1%. From 2002 to 2009, the country reduced inflation to an average of 9.9% per year. Since most loans are denominated in euro, the interest rate cuts recently implemented by the European Central Bank (ECB) are expected to aid loan growth.

How much does it cost to renovate a house in Belgrade?

When it comes to renovated properties, New Belgrade had the lowest asking rents, ranging from EUR6 to EUR8 per sq. m., followed by Downtown with rents at around EUR7 to EUR10 per sq. m. Dedinje and Vracar both have asking rents ranging from EUR8 to EUR10 per sq. m.
