

Wholesale solar storage container price list in Canada

Where can I buy used shipping containers in Canada?

We offer used shipping containers for sale across Canada. Northern Container Sales works directly with global intermodal shipping companies to purchase shipping containers at the end of their useful shipping life at wholesale prices.

How are storage containers priced?

Containers are priced based on condition, size, & location. Valid contact details are necessary as you will be sent options & pricing. Storage containers are incredibly versatile -- perfect for everything from storing equipment to creating living spaces. Here are a few common uses, but don't let that limit your imagination...

How many pallets can a shipping container hold?

A standard 20-foot container can hold approximately 10 standard pallets. A 40-foot container can accommodate up to 22 standard pallets. Keep in mind that actual capacity may vary based on the dimensions, weight, and stacking ability of the items you're storing. Why Are Shipping Containers So Cost-Effective?

Are WWT & CWO containers still good for storage?

Even though our WWT (wind and water tight) containers are no longer able to pass a CSC Survey, and be stacked 7-high while loaded, they are still great for storage. We also offer CWO (cargo worthy) used containers for customers needing to use them for export, as well as One Trip (like new) containers.
